Engineering Technician - \$65/hr

Drafting/Cad - \$65/hr

Survey Crew - \$160/hr this is a two person crew with electronic station

Secretarial/Word Processing - \$35/hr

Mileage - per IRS standards

Copies as required and by size

Attorney Bax:

Gary Bax presented an agenda to be followed for this meeting .

Reviewed per Engineer Halmi's request the Konzol Construction payment Bond and Performance Bond.

Reviewed per Engineer Halmi's request the Konzol Construction's Certificate of Liability Insurance for coverage of commercial general liability coverage and workers compensation coverage all was appropriate and in order.

Responded to Engineer Halmi on inquiry regarding to the execution of construction contracts by LCMSA officers in light of the bid acceptance.

Reviewed the proposed amendment to agreement for engineer services between Deiss & Halmi Engineering Inc. and the LCMSA.

i. proposed amendment to agreement appears to be regular in form and content.

ii. the services provided under the agreement are billed on a time and expense basis in accordance with the fee schedule used in the original engineer's contract, with an estimate cost of \$115,000.

iii. as stated in the agreement, this is not a flat fee or lump sum contract and the estimate is not a minimum or maximum amount to be billed under the agreement. it is Engineer Halmi's estimate for cost of construction services as detailed in the agreement.

iv. the cost for the construction services is estimated to be \$135,000 on the Pennvest application.

The legal fees from the McDonald Group, L.L.P. for 2018 will not increase over the existing 2017 fee rates. This fee rate has been in place since 2015. A flat fee of \$240 for the monthly meetings and professional and legal services to be provided at a rate of \$150 per hour; cost and related expenses will also be billed.

Next meeting February 13,2018
